ALMA MATER

Here's to thee, our Hopewell-Loudon
Cherish in our song.
Honor, love, and true devotion,
All to her belong.

Honor to the Gray and Scarlet,
Banner that we love
Shall lead us in the conflict,
And our triumph prove.

Lift the chorus, speed it onward,
Loud her praises tell,
Hail to thee, our Alma Mater
Hail, all hail, to thee.

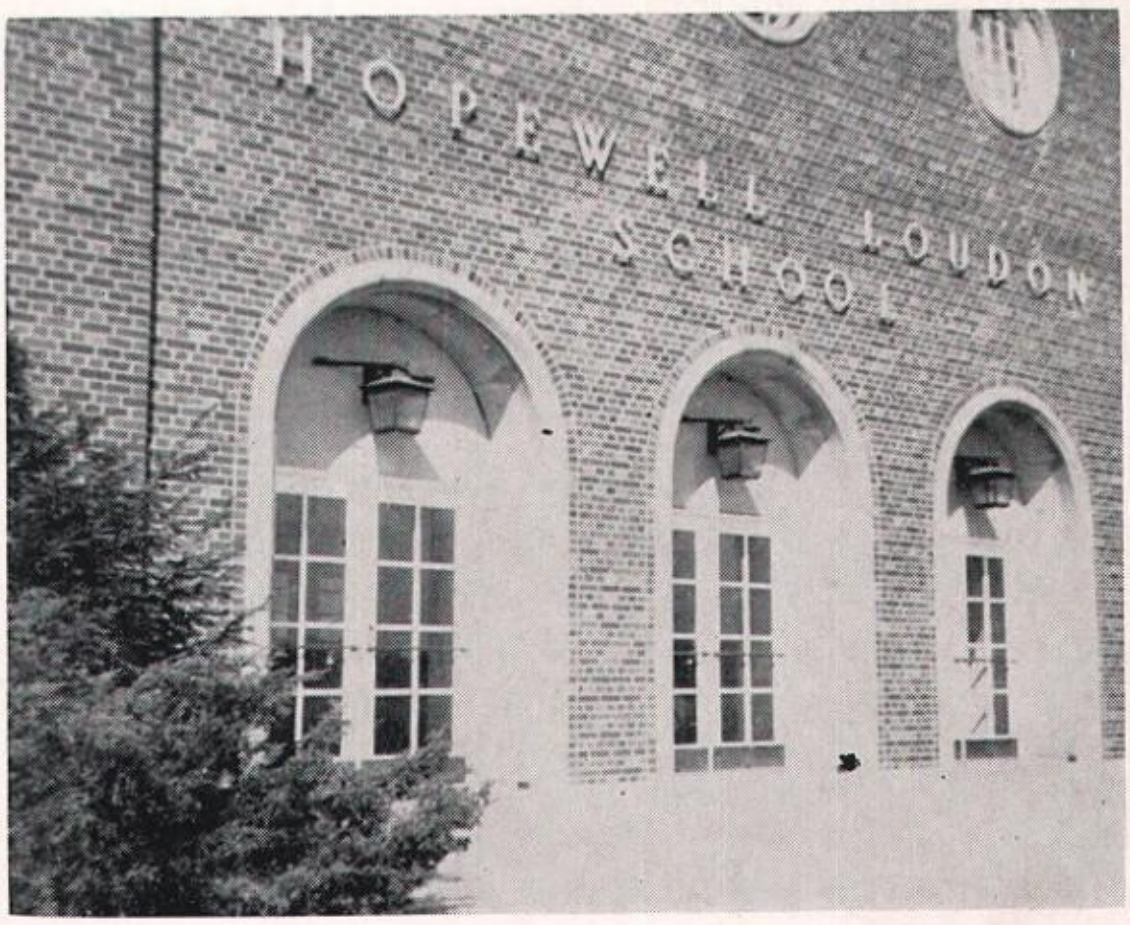
SCENES AROUND THE SCHOOL

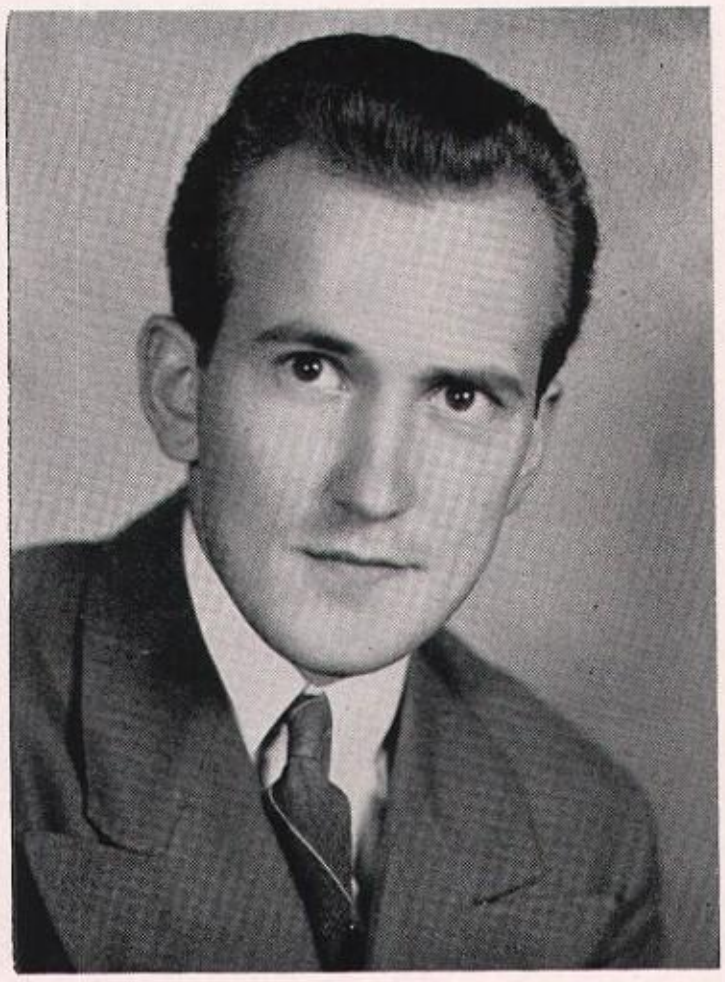
BETWEEN CLASSES

At circulation time the halls are crowded with pupils going to and from classes. At this time everyone has a chance to pause and relax before another class starts.

FRONT OF SCHOOL

A familiar scene to all the students of Hopewell-Loudon is the front entrance to the school building. Because of its attractiveness, we think that it is worthy of having a picture taken of it.





DEDICATION

Because of his untiring efforts in the music department, sponsoring the Senior class of each year, and directing the class play, we, the Senior Class of 1949, wish to dedicate our year book to Mr. Burton Goetz.

He has always had many words of encouragement to those who need it. He has spent uncounted hours of labor in preparing the band, orchestra, and chorus for many public appearances. His personality and patience have won for him some esteem from all of us.

Because of these outstanding qualities, we, the Senior Class of 1949, feel Mr. Goetz deserves this honor.

BOARD OF EDUCATION

Standing: L. D. Colvin, H. A. Coppus, A. W. Jones

Sitting: A. D. Fruth, V. P. Kline, P. E. Pember, A. S. Hoover

The members of the Hopewell-Loudon Board of Education consider it a responsibility as well as a priviledge to represent the citizens of this school district. Good judgment has been our aim in carrying out the Educational policies of the school, the employing of qualified teachers and the equipping of the school plant. We trust that the people of the community will feel compensated for the cost of education when the pupils of this school find for themselves a place in the world as useful and trained citizens. .....

VIRGIL P. KLINE
President Hopewell-Loudon Board of Education

A. W. JONES
Superintendent

I believe the school is the most important enterprise in any school district and that its influence is expressed in the character of the community. It is my hope that the pupils of Hopewell Loudon regard their school life as a privilege and will find their daily tasks the means of continual development. May this annual reflect the spirit of the school and serve as a history of the events of school life so that in the future as its leaves are turned it will recall memories of happy days.

Graduates of 1949—

We hope that as future citizens you will always welcome new truth and ever open your heart wider to friendships. Alone, you are only one individual with your own set of capacities. Associate yourself with others and you can have the power of teamwork to do much greater things. You can put teamwork not only in your own career, but in your personal contribution to democracy.

SENIORS

SENIOR CLASS OF 1949

ROBERT THEIS.....President
PAUL COMER.....Vice President
JOELLA BOUILLON.....Secretary
DONNA LAWLESS.....Treasurer

It was on a fine September morning in 1939 that the Senior class of '49 entered the doors of HL. As third graders, Miss Sendelbach lent a helping hand to us as we were strangers to each other.

Through the fourth, fifth, and sixth grades, we were guided by Miss Good, Miss Brickner, and Miss Doran. During these years many new pupils joined our group.

Finally, after four years, we were in Junior High. How elated we were to have more than one teacher; how we missed the recesses and longer noon periods!

September, 1945: We were now Freshmen. It was fun to elect our own subjects. Everyone looked forward to the Freshman-Sophomore Prom that spring. It was a "hit."

An outstanding event of our second year in high school was the operetta presented under the direction of Mr. Goetz. Then, too, many members of our class were in extra-curricular activities such as FFA, FHA, Y-Teens, Latin and Forensic Clubs, athletics and music. Of course, the Freshman-Sophomore Prom was a hit again that year.

JUNIORS—Yes, we were Juniors and glad of it. We published the Scarlet Banner that year under the advisorship of Mrs. Kelbley. The Junior class play, "Just Ducky," was a great success. This was the first "acting experience" for most of the cast, and we really enjoyed working on it and presenting it.

At the Shawhan hotel in Tiffin, we sponsored the Junior-Senior Banquet in May. This too was a great success.

At last—after eight years of training at HL—we emerged upon the climaxing year—the Senior year. In addition to the many county contests all of the Seniors took part either on working on the annual or in the class play.

The Juniors gave us a very unique prom—a "jamboree." From seven to three-thirty we danced, ate, attended a movie, and finally enjoyed a delicious breakfast before going home.

Recognition was given to Donna Lawless as Valedictorian and Helen Hoover as Salutatorian.

Now that we have finished our work here and look back on it all, it seemed so very easy, but really we had to work hard for everything. Now we can open our mnds to plans for the future.

CLASS PROPHESY OF 1949

TIME: 1970

SCENE: The dining hall of the Bascom Tourist's Hotel, located on Bullfrog Boulevard and operated by J. D. Smith.

A large crowd is gathered around a television set on which a baseball game between the Fightin' Squaws and the Grizzly Bears is being televised. A groan is heard from the crowd because Paul Comer, the pitcher for the Squaws, has just walked his fifth batter. The crowd forgets their discouragement when they are interrupted by a thud and looking around they discover that Joella Bouillon has just fallen off Bill Feasel's lap. The cause of the accident came from Bill asking Joella to marry him. It was so sudden.

Soon after the accident the crowd is once again startled to hear someone yell, "Money!" "Money!" The crowd relaxes when they see it is only Paul Lowery arguing with his partner, Joseph Ginsberg. The Ginsberg-Lowery Bank is a prominent bank in Bascom.

The crowd's attention is again riveted to the screen, when the commercials start. The first commercial is about Lucky Plug, the only smokin' chew in the world, guaranteed to make anyone's mouth hot enough to smoke. The sales manager explaining his product is no other than Loren Phillips.

The pictures on the screen are suddenly cut off because Dick Scherger, the owner of a large chicken ranch, has just tripped over the cord in leaving the crowd to go home. When the cord is again plugged in, the crowd is entertained by a large parade of the Marines. They are being reviewed by General Jerry Marshall and his aide-de-camp, Bob Jardine. Following the parade, the great opera singer, Mary Siebenaller, sings "The Star Spangled Banner."

Following the song, the news of the world is flashed on the screen by the international news reporter, and former Senator, Bob Theis. One of the outstanding news items is the marriage of Baron Von Huffenpuff to Helen Hoover, who was a secretary to Emily Post and a former resident of Bascom. Another interesting news item is the birth of a third set of triplets to Mr. Don Coppus and his wife, the former Dorothy Miller. Following the news, Professor Margaret Hudson makes a brief talk on China. Professor Hudson is a specialist of languages and teaches Chinese at the University of Hong-Kong.

Because of the strain of their eyes, several of the people suggest turning off the television set. Looking around at the crowd we see several very important and well-known people. To our right is Joan Gurney, the make-up artist from Hollywood. Directly in front of us is Donna Grieves, who accompanied her husband on his last trip to the moon. Near the edge of the crowd we see Loretta Depinet, who is a dancing instructor in one of New York's largest studios. She is now touring through the Middle West. To our left, gesturing with her hands, is the former Donna Jean Lawless who is now Senator Hoffman. She has recently introduced a bill to promote a 25 hour day. Last, but not least, we see the distinguished butterfly and kangaroo collector, Jack Haugh, who has been convalescing after having been stung by a bee.

The crowd gradually disperses, leaving only memories in their wake.

We, the Juniors feel we have had a very eventful and busy year under the capable leadership of our sponsor, Mrs. Kelbley. The peak of our Junior year was reached on April 29, when we sponsored a Jamboree for the Seniors and high school faculty. As the year comes to a close we feel that it has been a memorable one.

DEBATE

FORENSIC CLUB

The debate team, handicapped by a late start and lack of experience, made a fine showing at the county tournament this year. With Virginia Kelbley, Joe Hulderman, Allan Smith, and Jay Rainey participating in competitive debate for the first time, the team defeated Bloomville twice and Attica once to place fifth in the county. Next year we expect even greater success.

Some of the members of the Forensic Club gave their Prince of Peace declarations in the school auditorium. From these students, Jack Smith was chosen as the winner, to represent our school in the forthcoming contests.

Standing: Mary Siebenaller, Robert Collins, (Director), Virginia Kelbley.

JUNIOR CLASS PLAY

The Junior Class presented their play "The Adorable Imp" on November 12. The characters of the play were portrayed by the following students:

Malvina Barclay	Patricia Brickner
Pamela Gordon	Leila Brickner
Clint Purdy	Richard Haugh
Imogene Van Pickrell	Charlotte Siegle
Winston Pickrell	David McKay
Dilworth Pickrell	Robert Cool

The play was centered around Betty Lou Gordon, who acted the part of an eleven year old child who tried to keep her mother from marrying Dilworth Pickrell who had money and dyspesy. Two suitors masqueraded as a butler and a cook to help with the plot. All ended well, however, and the play boasted the largest audience ever to attend a class play at our school.

SENIOR CLASS PLAY

"January Thaw" proved to be a most exciting experience for all of us. We would like to share with you just a few of the high spots.

It was decided to use regular flat scenery rather than our own curtains. This meant trucking the scenery flats out from Tiffin. It took the wind only a split second to make a boat sail out of the fireplace flat. But it took the boys several nights of hard work rebuilding and repainting this scenery.

On Monday of the week of the play, we received the news of Paul Lowery's sickness. After several worried hours this hurdle was jumped by Paul's brother Arlen accepting the job of learning all those lines in four days. This he did and we will long remember how he bent his back and carried pigs on the stage.

Several members of our cast made their first visit to the Seneca County Museum that day on which we imported two car loads of much treasured furniture and household items to make our stage setting more realistic.

Then came the night of the play. What that make-up man did to Paul Comer's teeth, hair, and whole personality needed only an occasional shot from a swollen jaw in the direction of the fireplace to make "Uncle Walter" one of the humorous characters ever to appear on our Hopewell-Loudon stage.

But then there is no need of telling you about the play. Surely you must have been one of all those people who packed the house.

BAND

MAJORETTES

Standing, Dorothy Miller.

Kneeling, Dorothy Creeger, Joann Repp, Jane Eschenbrenner

High school bands in schools our size are still in limited numbers throughout Ohio. Our band members discovered this when they found only twenty-one bands from all the Class C schools of the state had qualified to play in the state contest with us at Springfield on May 14, 1949.

We were thrilled at receiving our Superior (one) rating in the district contest, which we were privileged to conduct here in our own school. With all members of our band helping we were able to entertain and direct this event bringing fifteen hundred and sixty-six high school musicians to Hopewell-Loudon School for the day.

Our band is always kept busy playing for school programs, county and state fairs, and for street parades in Tiffin and Fostoria.

These appearances always give us something to plan for; but our most important goal is to develop in boys and girls an appreciation for music and an expression of their feelings

To this end we shall attempt to spread our efforts to still more Hopewell-Loudon students. through the media of music.

To have musicians in high school, we must start them in the lower grades. This explains the effort of the boys and girls pictured in the beginners class and violin class above.

The brass quartet received a "one" rating in the district contest and a two in the state contest.

The four clarinets above have helped the girls pictured behind them to bring home a "one" in the county and a two plus in the district.

Our brass sextet repeated last year's record of "ones" in the county and district contests and a "two" in the state.

In this small group of future baton twirllers we will find plenty of leadersnip for the Hopewell-Loudon band for several years to come.

Kneeling: Charlotte Amlin.

GRADE BAND

The grade band below is interesting in that seventeen of its members are from the sixth grade. This group was organized for the purpose of giving these players additional practice on the music which many of them were playing in the high school band. We have some very fine players in this group.

CHORUS

While one might think that those caught smiling in the picture above enjoy their singing more than the others, all members of our chorus are there for the joy of singing. In our other classes we are individually responsible for our recitation. But in chorus we become an important part in a total effort. We sing and work with others. If the singing of our group is good, we are all happy together.

This experience helps us find a certain beauty in living which too many people never find.

ORCHESTRA

Orchestras can not march. But there are times when we need an orchestra. Many times each year our orchestra plays for our class plays, school programs, the country music festival and commencement.

Orchestra music gives us a different type of expression from other instrumental works. With the added strings, an orchestra can play with great variety of tune. We hope to be able to interest even more H-L boys and girls in strings.

MOST VALUABLE PLAYER

New this year is the awarding of a trophy to the most valuable basketball player of the season, sponsored by the business men of the community. This award is determined during the season by the opinion of the opposing team coaches and by vote of the Hopewell-Loudon squad.

Paul Comer was unanimously voted the honor this year. Heading his team mates with 247 points, he spark-plugged his fellow Chieftains throughout the year. Because of his outstanding playing and leadership he was also voted honorary captain of the '48-'49 basketball season. To "Paulie" we wish as much success in his succeeding years.

HIGHLIGHTS OF SEASON

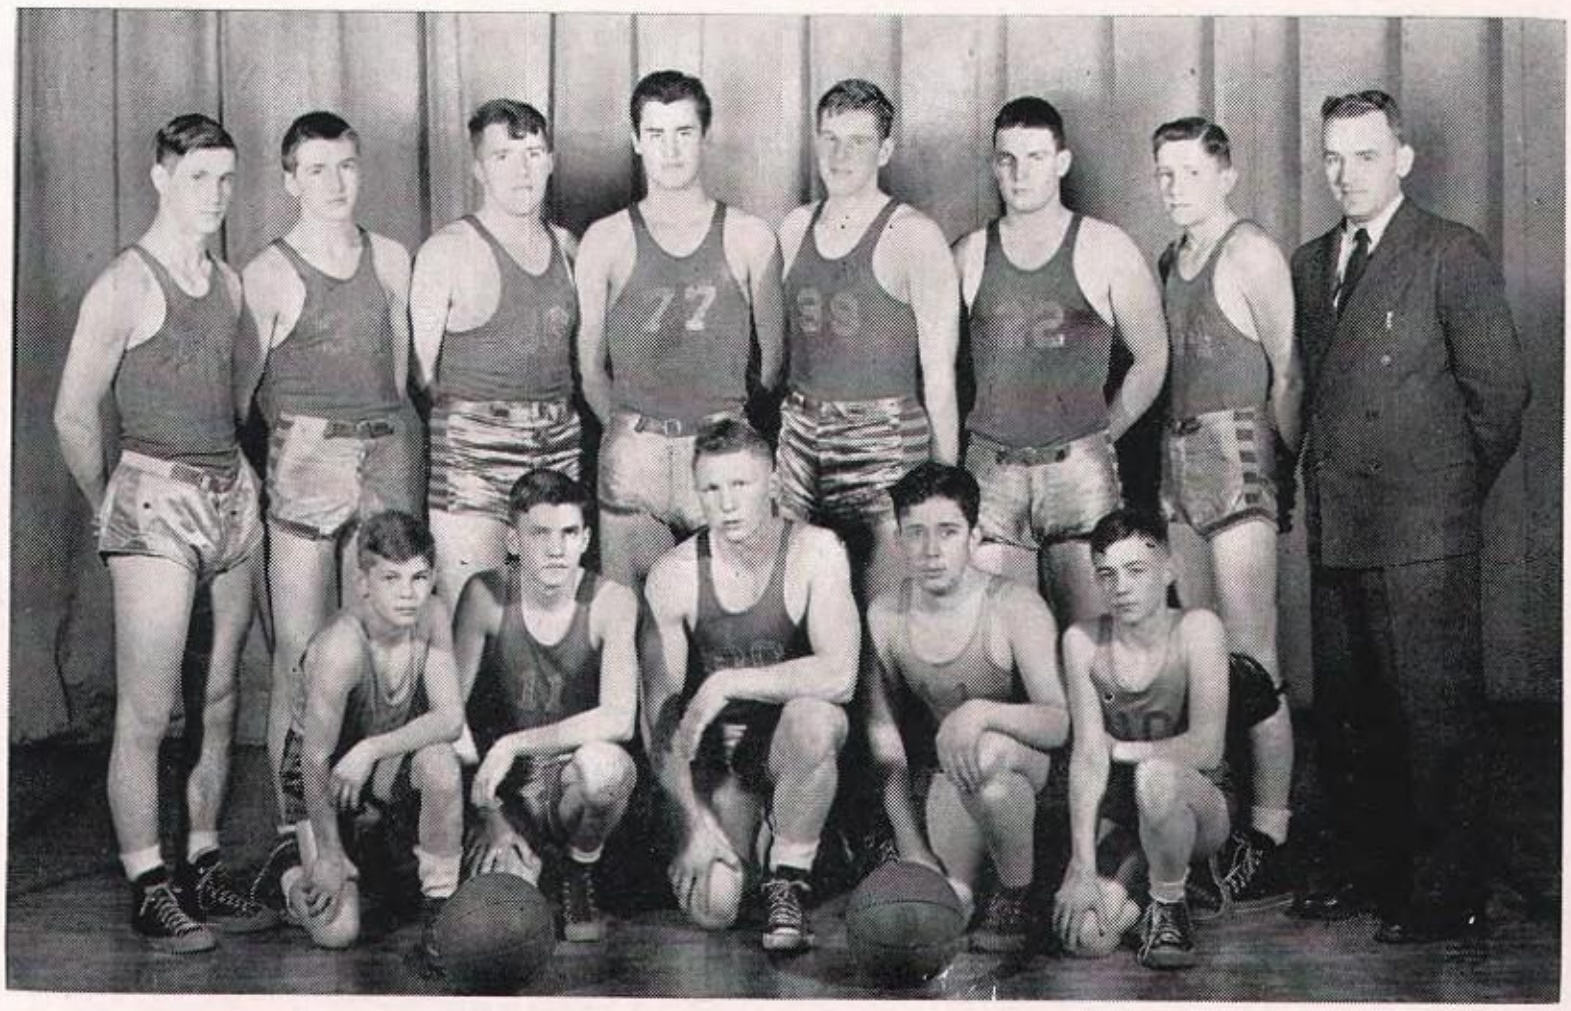
The '48-'49 basketball team's spirit to win was not lacking although the win side was light for the season. What the squad lacked in size they made up in team spirit and determination to play their best.

New interest was created by the introduction of Dad's Night on January 21. For the first time the father of each boy on the team was introduced and presented a token of appreciation. In appreciation of this night the Dads treated the squad by taking them to the Heidelberg-Muskingum basketball game.

After the season the 22 members of the team were entertained by the Athletic Association to dinner and Skating Vanities at the Toledo Sports Arena.

Standing: Bob Cool, Bruce Eberly, Allan Smith, Mr. Adams, Gerald Shumway, Duane Norris, Don Engeman, Ed Frankart.

Kneeling: Jerry Marshal, Paul Comer, Don Coppus, LaVerne Reinhard, Jack Haugh.

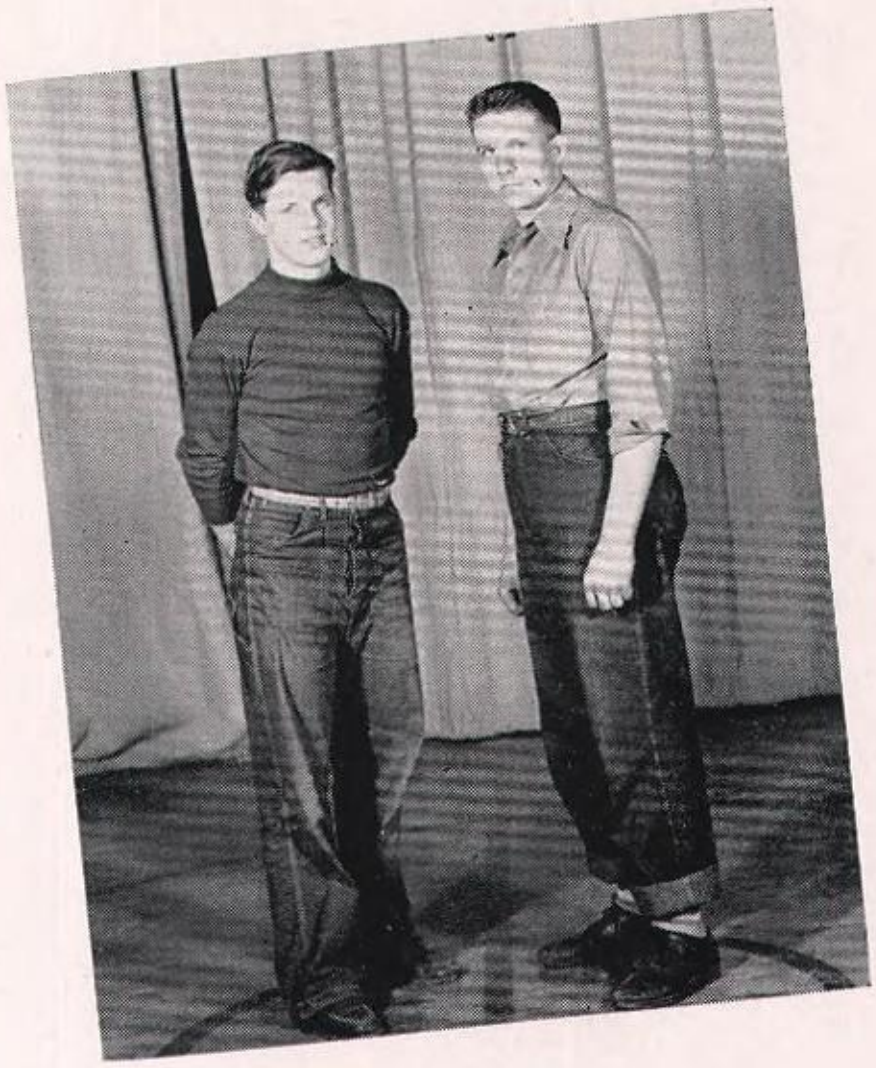


Kneeling: Dean Berrier, Bruce Eberly, Melvin Steinmetz, Herman Kreais, James Hoover.

Standing: Richard Haugh, Don Engeman, Duane Norris, Joe Hulderman, Gerald Shumway, Gene Margraf, Don Kline, Coach Adams.

RESERVES

A basketball team is no stronger than its reserves and our reserve team has a very good record of 12 wins and 7 losses.



MANAGERS

Two behind the scene men who get all work and no praise are the managers. Don Stultz and Jay Rainey have done an excellent job this year.

Sitting: Alvin Shumaker, Manager.

Kneeling: Bobby Burt, Don Hulderman, Bobby Amlin, Wayne Hoover, Aurice Hoover.

Standing: Merle Amlin, James Fox, James Nickel, George Smith, Coach Adams, James Coppus, Joel Omlor, John Dundore, Jack Frankart.

JUNIOR HIGH CHAMPIONS

This Hopewell-Loudon Basketball squad of 1948-1949 are the champions of Seneca County. Losing only three games during the season, they advanced to the finals by two overwhelming victories over Jackson-Liberty and Old Fort. They defeated Melmore in the finals by a score of 31 to 21.

VARSITY

PAUL COMER—Senior. Forward. Our high point man and most consistant scorer. Captain Comer and his left handed push shots were a constant threat. Paulie had the respect and praise of all the County Basketball players.

JACK HAUGH—Senior. Guard. One of our best defensive men and with plenty of fight for possession of the ball. Jack's speed made him a constant threat to the opponents.

ALLAN SMITH—Sophomore. Center. With more experience Allan should be a good pivot man and defensive player. One of the hardest working and coolest boys on the squad.

LaVERNE REINHARD—Junior. Guard. When the going was toughest Buzz could be counted upon to more than hold his own. His long shots kept the fans and players on edge throughout the game. Big things are expected of Buzz next year.

EDWARD FRANKART—Sophomore. Guard. A steady player and fine ballhandler. Ed should be among the leaders next year. Always ready and able to fill in any position, Ed was a valuable player to our school.

JERRY MARSHALL—Senior. Forward. Jerry didn't score a lot of points but he was a good ball hawk and fed in many balls to his team mates. He made up in fight what he lacked in height.

DON COPPUS—Senior. Center. Always good for a number of points and well known for his defensive and backboard play. Don's height and ball handling will be missed next year.

ROBERT COOL—Junior. Forward. Speed and hard work makes Cool a good player on our ball club in spite of his lack of size. Cool's spirit kept the team up when the going was tough.

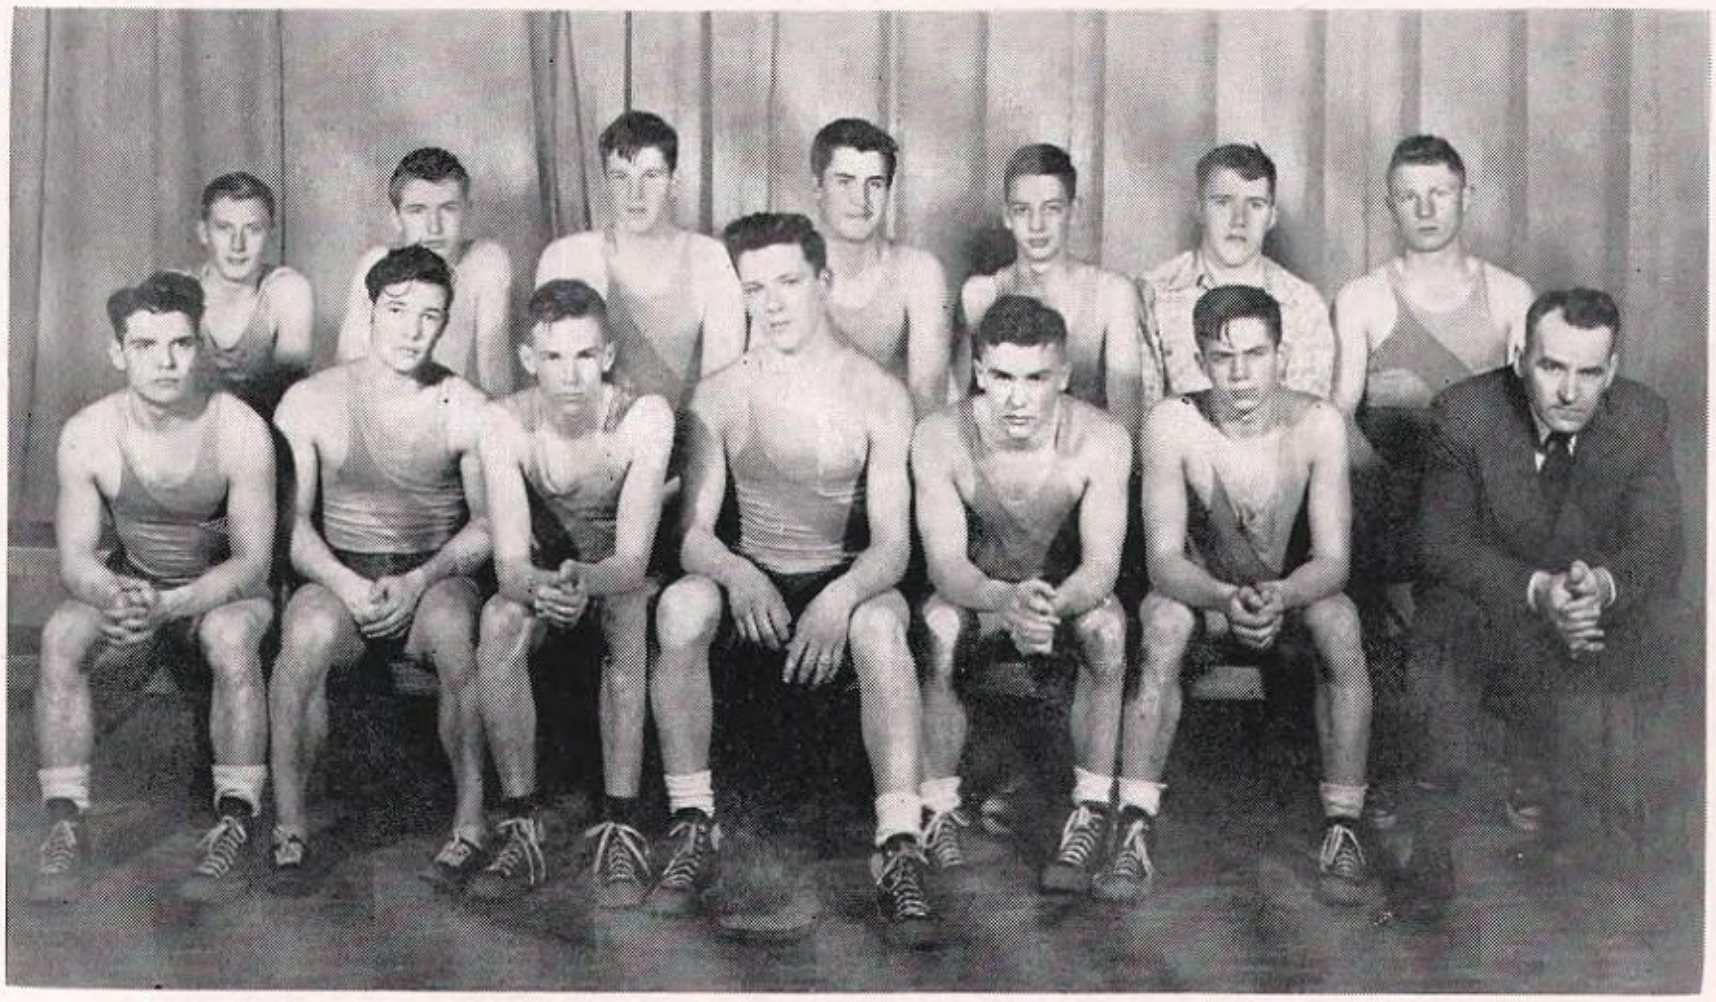
BASEBALL

Baseball was played for the first time last fall and again this spring. With more practice and working together the boys will certainly give a good account of themselves in the county race. We should hear a lot about Norris and Cool, our battery for next year.

TRACK



Second Row: Dean Border, Don Engeman, Gerald Shumway, Don Hulderman,Allan Smith, Duane Norris, Melvin Steinmetz.

First Row: Jerry Marshall, Jack Haugh, Robert Miller, Bob Jardine, Bob Cool, Ed Frankart, Mr. Adams.

Our track squad was small and inexperienced but in spite of these handicaps the boys did a good job in our county meet.

Three seniors leave us this year, but with the younger boys coming on, we should be stronger next year.

We finished fourth in our county meet and earned a 5th place ribbon in the District meet at Bowling Green.
